14th Corsicana Fair Opens Tuesday With Big Parade

By DON MORRISSEY

Pre-fair festivities got under way Monday night with the Queen's Ball at the new American Legion building on North Beaton street. Sixteen dutesches from Corsicana were crowned at the ball.

The 14th edition of the annual fair promises to be the best yet. Attendance records are expected to be broken. The five-day exposition has been enlarged this year with the addition of the Texas Jersey Cattle Club Show and more than 250 entries are expected in this division alone.

The opening day parade will be held at 10:30 a. m. Tuesday. Fair chairman and superintendent of the various divisions report their spaces are filled to overflowing and that the exhibitors

FAIR PROGRAM

Tuesday, September 26

CHILDREN'S DAY—White School Children Admitted Free.

8 a. m.—Texas Jersey Cattle Club junior judging contest.

10:30 a. m.—Downtown parade.

12 noon—Opening of fair gates.

1:30 p. m.—Special attractions.

8 p. m.—Championship rodeo.

have entered top quality in all divisions.

One judge, who had looked over some of the entries, said, "It will be a job picking the winner this year. Each entry seems as good as the next and they're top stuff."

Attendance figures are expected to take a licking this season due to the added Jersey show, the increased number of entries and the

attendance awards which are to be given away each night.

Awards to be given away include a five-piece living room suite, a television set, merchandise certificates, a washing machine and \$1,000 in cash.

Clouds May Spoil Moon's Eclipse Slated Tonight

By the Associated Press

Cloudy weather may spoil the "heavenly show" scheduled to be put on by the earth and moon tonight.

Starting at 8:31 p. m., Texas time, the moon will go into total eclipse. But the U. S. Weather Bureau says chances are small in Texas for good visibility.

The forecast called for increasing cloudiness and light showers in North Texas and thundershowers along a frontal system in South Texas.

In the past 24 hours, showers have occurred from the lower Rio Grande Valley to the upper Texas Panhandle. The largest rainfall was at Cotulla where 2.76 inches were recorded.

The moisture was particularly welcomed in the lower Valley, which has been in the grips of a prolonged drought. Brownsville, in the extreme southern tip of the state, recorded .74 of an inch of rain.

In case the weather does clear off in some areas tonight, Texans will see the moon start its eclipse at 8:31 p. m., go into total eclipse at 10:15 p. m. and end the "show" at 12:01 a. m. Tuesday.

The last total eclipse visible in Texas occurred last October. No more will occur until tonight's eclipse until Jan. 29, 1953.

Airlines Strike Delayed At Least

NEW YORK, Sept. 25.—(AP)—A threatened strike against American Airlines has been averted at least temporarily, the company said.

The walkout had been set for this morning by the CIO Transport Workers Union to block 883 flights of ground personnel ordered after a merger of overseas operations.

American recently sold its foreign flying subsidiary, American Overseas Airlines, to Pan-American World Airways for \$17,000,000. The sale became effective today—the same time the layoffs were to take place.

The American had agreed to take over 1,300 on American Overseas payroll, but this left 383 on the regular American payroll whom the company felt should be laid off under changed conditions.

Company and Union officials met Sunday in several sessions, and American announced the temporary agreement.

Under its terms, there will be no layoffs nor strike while the company studies Civil Aeronautics Board regulations in the case. Further talks will be held, but no date was set.

Air Force Sends Letter To Pace

WASHINGTON, Sept. 25.—(AP)—Secretary of the Army Frank Pace, Jr., got a letter from the Air Force today asking him to object to his going on active duty as an Air Force officer.

Pace was not prepared to say how Boss Truman would feel about it. Air Force officials, asked by reporters about the letter, were a little red-faced but had this explanation: It was just a form letter intended for all reserve officers and was inadvertently sent to Pace.

During World War Two, Pace was an Air Force major.

Texas Pilot Gets Ammunition Train

TOKYO, Sept. 25.—(AP)—Captain James H. Morrow of Sweetwater, Texas, flew a B-26 which destroyed a North Korean ammunition train seven miles north of Taejeon, a communiqué from UN headquarters reported today.

The attack, which occurred Sunday night, was a solo job for the bomber.

"There were terrific explosions and flames rose high in the air," said Capt. John A. Bilson, the navigator of Patterson, N. J.

400 HOUSES DAMAGED
ATHENS, Greece, Sept. 25.—(AP)—Some 400 houses were damaged and five persons were injured by an earthquake which struck eastern Crete Saturday, press dispatches said today.

Ground Troop Effectiveness Against Superior Enemy Air Forces Tested

By GEORGE BOLLTWOOD
SENNELEAGER, Germany, Sept. 25.—(AP)—Allied ground and air forces engaged in a vast practice battle today to find a defense—if there is one—against a theoretically superior air force.

The ground-air conflict was the first major phase in autumn maneuvers which began Sunday. Tactics were based on allied military belief that any attack against Western Europe would be backed by an air fleet far larger than any the Westeners could at first put in the skies.

Composite Troop Group
On the ground today were two British occupation divisions, a British and a Danish brigade and an American battalion. Harassing them from the air were the Royal Air Force's second group and two naval air squadrons.

"How much can or cannot troops do under enemy air superiority" was the problem posed by the exercise's director, British Commander in Chief Lieut. Gen. Sir Charles Keightley.

Major Issues On Congress Agenda

By DOUGLAS B. CORNELL

WASHINGTON, Sept. 25.—(AP)—Tension on swollen business profits, staphoe for Hawaii and Alaska and possibly rent controls look like the big issues when congress returns to Washington two months from now.

Even those problems may be too big to handle in a quick session between Nov. 27 and the Christmas holidays.

Slap for Truman
They were the major left-overs when weary lawmakers knocked off work late Saturday with a nap at President Truman—a thumping rejection of his veto of a stiff anti-Communist bill.

The bill was put on the lawbooks when the senate voted 57 to 10 to override the veto. That was 12 votes more than the two-thirds majority needed. The house had overturned the veto within an hour after Truman sent it to Capitol Hill Friday afternoon. The vote there was 249 to 174.

The senate vote came late Saturday after a small group of senators had talked against the bill almost around the clock, waging

U. S. Income Gets Lead On Spending For First Time

WASHINGTON, Sept. 25.—(AP)—Heavy quarterly tax payments in September, mostly from corporations, have put the government's receipts ahead of its spending for the first time since this fiscal year began July 1.

The treasury reported today that, as of Sept. 21, revenue topped expenditures by \$289,219,454.

This was a considerably better showing than last year when the government had a deficit of \$1,889,395,316 at this point. It ended that fiscal year last June 30 in the red by \$3,122,102,357.

In the July 1, Sept. 21 period this year, the government took in \$8,116,725,653 compared to \$7,888,310,028 in the similar period last year. Outlays this year were \$7,847,506,189 compared to \$9,757,705,345 a year ago.

Some officials say the government may end this fiscal year with a surplus despite the costs of the Korean fighting and rearmament program.

Increased tax collections, pushed up by the Oct. 1 hike in tax rates, and a lag in spending the new defense appropriations are expected to contribute to that result.

British Leaders Map Program To Curb Red Spread

LONDON, Sept. 25.—(AP)—British commonwealth leaders are scheduled today to discuss a six-year development program designed to throttle Communism in Southeast Asia by improving conditions there.

Hugh Galskell, minister of state for economic affairs, welcomed the delegations from Canada, Australia, Ceylon, New Zealand, India and Pakistan for the week-long talks.

"Our concern is the economic well-being of South and Southeast Asia," Galskell declared. He said the conference will follow up the work started at commonwealth meetings in Ceylon last January and in Sydney last May.

"Our objective is to pass as quickly as possible from the planning stage to the sphere of practical results," he said.

Next week the conferees will be joined by representatives of the non-commonwealth states of Burma, Siam, Indochina and Indonesia.

The commonwealth planners hope to strengthen the economies of the countries and to improve the living standards of their people so that the conditions in which Communism thrives may be abolished.

Brannan Charges 'Vicious Attacks' By Farm Bureau

WASHINGTON, Sept. 25.—(AP)—Secretary of Agriculture Brannan today charged the leadership of the American Farm Bureau Federation with making "untruthful and vicious" attacks on him in their fight over the Brannan farm plan.

Brannan said in a letter to Federal Reserve Board Chairman E. A. Tamm that a spokesman and a publication of the farm organization have intentionally misstated his position with regard to reserves of farm crops.

The letter was another round in a Brannan-Kline feud that started out of a Brannan proposal last year to support prices of perishable farm products by means of government payments.

Under the Brannan plan, consumer prices would be lower than under the present price support system in which the government buys and removes surplus perishables from the market.

Kline has made many speeches bitterly opposing the Brannan plan.

Brannan wrote that Kline's personal spokesman, Roger Fleming, chief of the bureau's Washington office, said in a speech at Columbia, Tenn., Aug. 1, that the Brannan plan would "disseminate the reserves of one cotton and wheat and other staples."

Administration Attack
Brannan said this statement—which he repeated as "wholly untrue and a disservice to farmers"—was repeated in a farm bureau publication.

It is an attack designed to use the Korean situation as a means of destroying the confidence of all groups of Americans, not just farmers, in the present administration.

Brannan said no one has been more aggressive than himself, in advocating high production levels, and maintenance of "the safest possible reserves" of storable commodities.

Three Narrowly Escape Serious Injury In Wreck

Mr. and Mrs. Curtis Jones and their year-old son escaped serious injury today when a car in an automobile accident on the State Home road.

Mrs. Jones suffered a possible broken collar bone, and her son received a face cut. Her husband, driving the car, was not injured. He is an employee of the Cahill store here. All were taken to the hospital.

Investigating officers said that the Jones car went off the road and hit a fire hydrant and overturned as it was passing a light truck. The Jones car was demolished.

Griffith and Corley ambulances answered the call.

16 Die Violently

By the Associated Press
At least 16 persons died violently in Texas over the week-end. Six persons died in traffic accidents, five in a shooting, two were run over by a train, one drowned and the others died from miscellaneous causes.

Talmadge Warns Against Ending Race Segregation

ATLANTA, Sept. 25.—(AP)—Gov. Herman Talmadge said today any attempt by negroes to enter traditionally white public schools in Georgia would create more confusion, disorder, riots and bloodshed than anything since the war between the states.

Talmadge said that his mail has reached a new record since the filling of a federal court suit in Atlanta seeking to end racial segregation in public schools.

Talmadge said Georgians have insisted in letters and in personal calls that they would never accept a court order ending segregation.

One told him, he said, "our rifles are ready."

Judging from the reaction reaching him, Talmadge said, "there are not enough troops or police in the United States to enforce such an order."

"Ninety-eight per cent of the white people of Georgia and 99 per cent of the negroes want to maintain our pattern of segregation."

"It is the most deeply rooted social custom in our area."

The suit was filed last week by more than 200 Atlanta negroes against the city board of education and school superintendent.

Victory Sighted By Gen. Walker In Praising ROKs

By WILLIAM JORDEN
U. S. EIGHTH ARMY HEADQUARTERS, Korea, Sept. 25.—(AP)—Lt. Gen. Walker, H. Walker, praising the South Koreans as fighting men, said today that "victory is now in sight."

The Eighth Army commander added that victory would mean "a free and untrammelled society for all Koreans, with the dignity of the individual fully restored."

Wisely Chose Retreat
Walker said he had "nothing but the highest praise for these great fighting men," the South Koreans, in the United Nations effort against the North Korean Communist invaders.

He pointed out that at the beginning of the war the Republic of Korea (ROK) army had been taken by surprise and was "outnumbered 40 to one in the initial battles."

"They had two choices: withdraw, or be annihilated," the general said. "They wisely chose the former."

Outmaneuver Enemy
Once placed on an equal basis with the enemy, the South Koreans showed themselves superior, Walker said. He added that the forces of President Syngman Rhee's government had outmaneuvered and outfought the Communists.

Walker expressed his thanks to the Rhee government and the South Korean army for the "excellent manner" in which they have worked with the United Nations throughout the war.

The victory which he predicted was near at hand is worth the price Walker added.

"Human freedom is always worth the price we have to pay for it," he declared.

Rescue Steps For 16 Airmen Started

HALIFAX, N. S., Sept. 25.—(AP)—Parachutists have been dropped to begin rescue operations for 16 airmen who were rescued from a bomber crashed Thursday in Labrador wilderness, the Fort Pepper Air Base reported today.

The stricken bomber was discovered Sunday night after being missing for three days, and a U. S. Air Force team immediately took steps to evacuate the men by helicopter. The helicopter will move the men to a nearby lake where a Canadian amphibious plane will pick them up.

Findings of the missing air giant climaxed a search extending from the wilds of Labrador to the Arizona desert. Scores of Canadian and American planes took part in the hunt.

Searchlights attracted the Lancaster to the area where the 16 survivors had constructed a shelter. Signs on the rocky ground asked for food and supplies. No definite signals were requested. Officials interpreted this as signifying no one was badly hurt.

Yank Flier Uses 'Dirty Look' As New Tank Weapon

WITH THE 25TH DIVISION IN KOREA, Sept. 25.—(AP)—A young New Jersey pilot has the reputation of knocking out a Red tank with nothing but a dirty look.

Lt. James E. Alvarado of Red Bank, N. J., flew a two-engine aircraft used to spot enemy tanks for American artillerymen.

He saw an enemy tank going over a bridge and decided to throw a "dirty look" at it. He zoomed as if in attack. And he made an angry face as he could.

The startled tank driver looked up, saw the pilot's face and lost his nerve. He drove off the bridge and was wrecked.

To celebrate, Alvarado's ground crew painted a tank on the fuselage of his tiny plane.

TEXAS RANKS 33RD
WASHINGTON, Sept. 25.—(AP)—The average cost of sending a pupil to public school increased from \$88 in 1940 to \$200 last year, the U. S. Chamber of Commerce has reported. Texas spent an average of \$185 per pupil to rank 33rd among the states. Texas spent 2.24 per cent of its total income on education.

Army Now Drawing On Core Of Its Quick-Striking Mobile Reserves

By ELTON G. FAY
WASHINGTON, Sept. 25.—(AP)—The Army is beginning to draw on the core of its quick-striking mobile reserve, the airborne force, in massing strength for an all-out blow to annihilate the North Korean Communist enemy.

How long that would take was a question, Pentagon officers, while looking the look of the Korean picture, say it is too early to make predictions.

Appear at Seoul Sunday
American paratroopers showed up Sunday at Kimp'o airport, on the Seoul battlefield, and a few hours later were committed to action.

On the basis of news reports, which said 150 plane loads of from 16 to 17 men each arrived at Kimp'o, an airborne regiment, slightly under full strength, appeared to have been sent in initially.

These infantrymen, with wings came into battle in sedate fashion, riding in transport planes which landed on a friendly airfield. There was no spectacular "airdrop" of men into enemy territory in a cloud of parachutes.

But also there is no reason why the paratroopers, used for the moment as regular foot soldiers, may not show up in the days ahead in the role for which they are trained—behind the enemy lines to establish airheads.

Bastogne Recalled
Actually, in World War II airborne troops did about as much fighting in a ground force infantry role as they did by parachute or glider drops to the enemy's rear. One of the most famous actions by an American airborne force was the holding of Bastogne, Belgium, in which the 101st Airborne Division rolled into action on trucks and on foot.

FOUR COLUMNS GRINDING DEEP INTO CAPITAL

Commanders Seem Confident City Will Be Taken Shortly

TOKYO, Tuesday, Sept. 26.—(AP)—U. S. Seventh Division troops late Monday captured the holding of the main Red defensive position inside Seoul, while Marines reached Duk So, palace in the city's center, a U. S. Army spokesman in Tokyo said today.

The spokesman said U. S. Army troops had made contact inside the Korean capital but he did not know where or in what strength.

He said a late report placed the Marines at Duk So, the ancient Korean royal palace, but he did not know if they had captured it from the Communist defenders.

Seized June 28
The Red invaders who seized Seoul from Korean Republic forces June 28 were being hard-pressed by four Allied columns spearheading the drive into the capital.

One U. S. Marine column that crossed the Han river Sunday morning seized a commanding height in the southwest and planned on to link up with American and South Korean Marines from the Northwest and North.

The column of Seventh division downhills stormed over the Han at dawn Monday from the south and struck at South Mountain immediately.

That 700-foot height, commanding much of Seoul and viewed by a city park, was defended by well-dug-in Korean Reds.

The Tokyo spokesman who announced the capture of the city park, was defended by well-dug-in Korean Reds.

The Tokyo spokesman who announced the capture of the city park, was defended by well-dug-in Korean Reds.

AP Correspondent Don Whitehead, who crossed the Han last Wednesday with a U. S. regiment, said the city was taken Monday afternoon did not make clear how this was accomplished and whether the infantry had occupied it.

Commanders Confident
Combat commanders said they were confident the Allied force would take the city in hours.

While the four-pronged drive into the city pushed ahead, a U. S. First Cavalry armored patrol

See KOREAN, Page 5

U. S. Task Force Retakes Chinju In Hard Battle

By STAN SWINTON
CHINJU, Korea, Sept. 25.—(AP)—American troops today captured Chinju, a strategic city in South Korea, after the city's Red defenders ignored leaflet orders to "surrender or die."

Slurries in Streets
Rifles, hand grenades and bayonets flashed in a score of savage street skirmishes before the Red stronghold was finally taken. The communications hub was captured by a fast-moving U. S. 25th division tank force led by Capt. Charles Torman of Keene, N. H.

It reached the outskirts Sunday after a 70-mile dash over winding roads that began three days ago. The city was entered from the south.

By capturing Chinju, the allies won their most important victory in the deep south sector since the 25th division began its offensive nine days ago.

Many Reds Trapped
Hundreds—perhaps thousands—of Communist soldiers bypassed the advance now have no visible means of escape. Chinju is 55 air miles west of the U. S. allied supply port of Pusan on the sea of Japan. A column of tanks and men is noised along the highway west when the blow-blasted bridge over the shallow Nam river are repaired.

Approaches to the bridges bristle with anti-tank mines. A U. S. tank was blown up today.

Low-flying American planes dropped thousands of "surrender or die" leaflets on Communist-held areas.

See SWINTON, Page 5

Yugoslav Envoy Attacks Soviets In UN Debate

NEW YORK, Sept. 25.—(AP)—Yugoslav Vice Premier Edvard Kardelj called today for the temporary re-establishment of the 38th parallel as the present policy of the government of North Korea does not serve the cause of the true independence and unity of the Korean people.

In a policy speech before the UN general assembly, the Yugoslav official declared that Premier Marshal Tito's government "condemns the present policy of the government of North Korea does not serve the cause of the true independence and unity of the Korean people."

Soviet Pressure Increasing
In the same speech he charged that the Soviet bloc is increasing the pressure on Yugoslavia by provoking border incidents, almost daily.

Although he did not mention the Soviet Union or Communist China by name, Kardelj's meaning on Korea was obvious when he said:

"Those who are inspiring the policy and activities of the North Korean government have embarked upon an aggressive course, whose consequences will have to be borne by the people of the whole world."

Kardelj's statement regarding the 38th parallel came at a time when it appeared likely UN forces in Korea soon might reach that old dividing line. He made no specific reference to UN troops. In the security council, Yugoslavia abstained on the June resolution ordering military action against North Korea.

"Should Find Solution" The United Nations, Kardelj said.

Name Weinschel On Draft Board; Replaces Eady

Announcement was made Monday that George Weinschel has been appointed a member of the Navarro County Selective Service Board. Weinschel, an independent oil operator, takes the place of Tom Eady who resigned.

During World War II, Weinschel was a captain in the U. S. military intelligence and was attached to the 38th infantry division. He saw combat duty in Italy, France and Germany.

Other members of the board are Robert R. Cooke, chairman, and B. W. Woolley, Mrs. Preston Welch is draft board clerk.

No Let-Up In Preparedness Drive Is Due After Korean Win, Sawyer Says

WASHINGTON, Sept. 25.—(AP)—No let-up in the nation's military preparedness drive—even after victory in Korea—is promised by Secretary of Commerce Sawyer.

He even hinted that new business controls may be expected so as to channel more productive facilities and materials to armament.

Can't Relax Now
Sawyer was asked in a radio interview Sunday night of the United States could properly relax rearmament efforts when the fight in Korea is won. His answer: "My opinion is that we cannot and should not and will not."

The secretary went on to say that this country would be stupid to believe that "we can forget the whole thing and go about our normal peacetime pursuits regardless of what is going on in the rest of the world."

Sawyer said he expects more con-

See CONTROLS, Page 5

Attlee Refuses Another General Vote This Year

LONDON, Sept. 25.—(AP)—Prime Minister Clement Attlee has replied with a firm "no" to demands raised in some sections of the labor party for another general election this year.

A source close to No. 10 Downing Street said nothing short of a parliamentary defeat for Attlee would bring elections in Britain before 1951.

This informant said the final decision rests with the prime minister and Attlee prefers to hang on with his paper majority of seven in the House of Commons, particularly in view of the unsettled international situation.

A group of left-wing labor supporters have been reported advocating an early election with the hope of improving labor's majority.

The Conservative opposition press has freely predicted an election this year.

Party leaders said today they expected no disciplinary action against a member of Commons R. W. G. Mackay, who publicly accused the British government of sabotaging European co-operation by refusing to join in the Schuman coal-steel plan.

Smoke Blanket Causes Chill In Several States

By the Associated Press
A chill blast hit a large area of the nation again today under a heavy layer of smoke from Canadian forest fires.

But the smoke, about 3,000 feet thick, was moving out in the Atlantic Ocean and the weather bureau expected temperatures to return to their autumn normals as the sun again comes into view.

The smoke moved in Sunday over the area from the Great Lakes eastward to the Seaboard and as far south as the Ohio Valley. The New York weather forecast said he never had heard of such a thick layer of smoke over such a wide area.

It made many places so dark street lights were turned on and in Cleveland and Pittsburgh base-ball parks afternoon games were played with floodlights on. The Pittsburgh-Detroit football game at Detroit also was played under lights.

Temperatures were on the rise early today in the Central and Northern Plain States and the Northern Great Lakes region. But rain and cooler weather had moved into the Pacific Northwest.

The mercury skidded into the 30's today as far south as Kentucky.

See CONTROLS, Page 5

Mrs. Parker Is Honoree At Tea

FAIRFIELD, Sept. 25.—(Spl.)—Mrs. Alton Parker, Jr., the former Miss Lou Rhea Johnson of Teague, was honoree at a gift tea in Teague Friday afternoon. The reception was held in the parlor at the Presbyterian church from 4 to 5 o'clock.

Receiving were Mrs. Alton Parker, Mrs. Alton Parker, Jr., Mrs. C. R. Johnson, Mrs. A. E. Dunn and Mrs. W. A. Cassidy. Mrs. W. A. Moore presided at the bride's book where the guests were registered.

The bride's table was laid in white lace centered with a lovely arrangement of bronze and white mums, white and gold maline, and fern. Tapers burned in crystal holders.

Miss Dixie Taylor served frozen punch from a crystal service with cookies and salad nuts, assisted by Mrs. Leslie Red. A large number of guests from Teague and Fairfield called during the reception hour.

Mr. and Mrs. Parker are at home in Fairfield where Mr. Parker is employed at Park Service Center.

CONGRESS

CONTINUED FROM FIRST PAGE what they acknowledged was a losing fight. They said they hoped that word from people back home might change a few senators' votes; whether it did was questionable.

Senator Langer (R-ND) collapsed from exhaustion on the senate floor after speaking for five and a half hours against the bill. He was taken to the Naval Hospital at Bethesda, Md., and is reported to be "doing well."

Truman had denounced the bill roundly, calling it a mockery of the bill of rights. So did Attorney General McGrath. But McGrath announced Sunday night he is creating a special unit to enforce it "vigorously."

Because of the complex machinery provided and the announced defiance by the Communist party, it appeared likely that months or even years would elapse before anyone could be punished under the law.

It calls for registration with the government by Communist groups and fronts and provides for internment of Reds in time of war, invasion or insurrection.

Tax Hike Due Soon

Another major aspect of the adjourned congress will have almost immediate effect.

Starting next Sunday, income tax withholdings will jump one-fifth for most of the nation's 50,000,000 income taxpayers.

The tax boost, estimated to produce about \$4,700,000,000 yearly, was approved by Truman about the time congress was winding up its chores. He acted swiftly, just a day after congress sent him the bill.

Even before that, the tax-writing house ways and means committee decided to start public hearings Nov. 15 on a second tax increase which congress has pledged will include an excess profits tax on corporations. Estimates are that it will produce from \$4,000,000,000 to \$6,000,000,000 a year.

The committee said it will try to limit the hearings to five days and have a bill ready for prompt action when congress reconvenes Nov. 27.

Rep. Spence (D-Ky) told Newsman, too, that he hopes to have a new rent control bill for action during the short session. The present law expires generally on Jan. 1, although local communi-

ENGAGEMENT ANNOUNCED—Mr. and Mrs. William Landon Bradford, 200 East Eleventh, Austin, have announced the betrothal of their daughter, Betty Ann, to Donald Hugh Cummins of Corsicana. A November wedding is planned with the Rev. Marvin A. Vance to officiate at the formal ceremony in the First Methodist church of Austin. The bride-elect is a graduate of Austin High and received a Bachelor of Science in Education at the University of Texas in August. She is a member of Chi Omega Sorority. Cummins, the son of Mr. and Mrs. Hugh Cummins of Corsicana, also graduated in August from the University of Texas in Business Administration and will be employed in the realty firm of Walling, Bradford and Brush. He is a graduate of Corsicana High and Navarro Junior College.

ties can extend controls for another six months by taking positive action to do so.

Spence is chairman of the house banking committee, which handles rent legislation.

There appeared to be considerable doubt that congress would find time to act before next year on rent controls, or on such other items of unfinished business as the government's master plan for civil defense.

House and senate set Nov. 27 to get back to the legislative grind. Some members are bound to return as defeated "lame-ducks," as all 435 house seats and 96 of the 98 in the senate are at stake in the November election. The new 82nd congress will open Jan. 3.

Week Of Prayer For Mildred WMU

The annual Week of Prayer program for Home Missions was observed by the WMU of Mildred, Baptist Church Thursday. Mrs. John Harter, president, who had charge of the program, was assisted by Mrs. Enos Hutson, Mrs. Bill Perdue and Mrs. V. H. Scrimshire. Leading in special prayer for each day were Mrs. Johnny Bosley, Monday; Mrs. Mattie Brewer, Tuesday; Mrs. Earl Young, Wednesday; Mrs. Lee Buck, Thursday and Friday.

As a climax to the covered dish luncheon, the dismissal prayer was offered by Mrs. Johnny Bosley.

FAIR

CONTINUED FROM FIRST PAGE its home demonstration, fine arts, handicraft, education and vocational departments, this year's fair will feature a radio broadcast, automobile and farm implement shows, special entertainment and musical programs, a puppet rodeo, and a new large carnival with a free gate.

Murray Cox will give farm radio broadcast from the Corsicana Fair on Friday. The puppet rodeo will be on the grounds all week and the Sulphur Springs High School band will play Thursday when Sulphur Springs citizens will be honored. Ted Goudy and his "Texo Hired Hands" will play on Wednesday.

The championship rodeo will be featured each night at 8. Wild Bill Elliott, Western movie star, will take an active part in the "roping and wrestling" and in the grand entry parade.

The puppet rodeo, which has a free gate, is said to be one of the outstanding puppet shows on the road. It has shown in several Southwestern states and ran for two years at the World's Fair in San Francisco.

Tuesday and Friday have been billed as Children's Days with white school children being admitted free on Tuesday and negro children enjoying a free gate on Friday.

Friday also is negro day and the folks from the East Side will stage a downtown parade at 2:30 p. m. The Tuesday parade will feature 20 floats and the entries will be competing for cash prizes of \$70, \$25 and \$15 plus a traveling trophy for the winning float. Cash prizes also are awarded in three other divisions.

The parade has been divided into three sections and will have 33 divisions. It is expected the line of march will extend for several miles.

Two queens, the fair's first lady, and the choice of the Texas Jersey Cattle Club, will be in the parade. Governor to Attend

Gov. Allan Shivers will lead the spectacle which will come down Main street, go east to Beaton, north to Second, east to Commerce and south to the disbanding area.

Several state officers and officials of county and the state fair are expected to be in Corsicana Tuesday. Many of the dignitaries will be in the reviewing stand on Beaton street.

Parade Marshall Rufus Povehouse and his assistants, Fred H. Harvey, Jr., and Art Young, said the parade will step off at 10:30 a. m. Participants, except the queens and the court of honor, have been told to be at their assembly points by 9 a. m.

All judging of entries will be done before the parade starts. Following the parade, the governor and other visiting dignitaries will attend a luncheon sponsored by the city's three service clubs, Gov. Shivers will speak.

Sam Vernon, chairman of the clown and novelty section of the parade, said the crowds will enjoy the antics of the "professional" entertainers who have "dined."

Five Bands Entertained

The parade will feature the music of five bands. Three will come from Corsicana's High School State Orange Home and Navarro Junior College. The Kerns High School band will be in the lineup, and the 68th Central Air Force Band from Waco will be the lead march band.

The Queen's Ball being held for the first time this year promises to be an outstanding event. The dance is open to the public and tickets may be purchased at the Chamber of Commerce and the Texas Power and Light Co. Admission is \$3 per couple.

The duchesses will attend with their escorts a group of judges from Dallas will select the queen. Julius Jacobs will act as master of ceremonies.

Judging the duchesses will be Mrs. Herbert E. Finner, Mrs. Connie Finner, Gus Bowen and Mike Rabiskov.

The duchesses will be judged on the following points: Poise, personality, looks, ability to wear clothes and facial beauty.

Dwain Dawson Is Head Of FFA Club At Corsicana Hi

Dwain Dawson was elected president of the Corsicana Future Farmers of America chapter at the group's first meeting of the 1950-51 school year Wednesday night. About 25 members attended.

Yvonne Fields of the Odd Fellows Home was elected chapter sweetheart for the year.

Other officers elected are as follows: Johnnie Garner, first vice president; Leroy Griggs, secretary; Donald Moore, sentinel; O. E. Scarborough, second vice president; K. L. Guley, third vice president; Freddy Smith, reporter; Donald Farmer, treasurer; Richard Dunlap, parliamentarian; Oliver Mesker, historian; Don Winkler, photographer.

Miss Fields, a junior in high school, is 16 years old. She will take part in various FFA activities during the year. These include the father-son banquet, the district FFA banquet.

This is the second consecutive year that a girl from the IOOF Home has received the FFA honor. Last year the queen was Zelma Hanson.

The following points: Poise, personality, looks, ability to wear clothes and facial beauty.

The Fair Queen will be presented to the rodeo crowd Tuesday night and the Jersey Club Queen, Miss Katharine Morrison, Glade-water, will be introduced at the Wednesday night.

Quora Grandchildren

Peggy Tucker, Corsicana High School; Joyce Hammer, Hubbard High School; Barbara Jean Moore, Frost High School; Evelyn Westbrook, Brooming Grove High School; Doris Anderson, Dawson High School; Shirley Patton, Malheur High School; Bonnie Brown, Worham; Charlotte Meloy, Teague; Marceline Steelman, Navarro Junior College; Joy Athens, Cadillac; Joyce Freeman, Athens; Peggy Gray, Emmanuel; Alene Dowell, State Home, and Dolores Simmons, Rice.

Dancing will be from 9 p. m. to 1 a. m. The queen crowning will take place before midnight.

Everything points towards a great fair and if it acts the support of the community it will be the top show of the 14 years.

Mildred To Install New WMU Officers

Mrs. Will Miller Head of Blooming Grove, Association President of W. M. U., District 14, will preside at an installation service at Mildred Baptist Church Monday, October 2nd, at 2 P. M.

Officers for the coming year will be installed as follows: Mrs. John Harter, president; Mrs. R. M. Martin, vice-president; Mrs. Marie Sheppard, secretary-treasurer, with Mrs. V. H. Scrimshire as assistant; Bible teacher, Mrs. Frank Kent, with Mrs. Enos Hutson as assistant; Mrs. Onal Hutson, mission study; Mrs. Lee Buck, community mission and program chairman, with Mrs. C. R. Brashers as assistant; Mrs. Earl Young, benevolence chairman, with Mrs. Mattie Brewer as assistant; Mrs. Bill Perdue, stewardship, with Mrs. Johnny Bosley as assistant.

Refreshments will be served at the conclusion of the service, officials have announced.

A few grains of salt help bring out the flavor of applesauce. A dash of salt should always be added to cream that is to be whipped and sweetened.

Emhouse Future Farmers Elect Leaders For Year

The Emhouse Future Farmers have elected officers for the ensuing school year and decided to meet each second Tuesday night.

The Future Farmers plan to initiate the freshmen boys to Green hands, October 10.

Activities in which the club will participate include dairy judging contest in Corsicana, Sept. 26, at the fair; Dallas Fair, October 7, and a Father and Son banquet during the fall.

The officers: George Brown, president; Berge Patton, vice president; Bobby Collins, treasurer; Tommy Harrell, secretary; Charles Johnson, reporter; Paul McAnn, parliamentarian; Leo Toldan, sentinel; James Edwin Brown, historian; Buddy Eastland vice president; Thomas Earl Molton, third vice president; John Wayne Thompson, song leader; D. D. Mitchell, local adviser.

President has appointed program recreation and entertainment committees.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the real cause of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio, "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the real cause of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great builder-upper for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio, "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the real cause of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT! Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

Certification Of State Candidates Received Monday

Certification of state candidates for the November 7 general election were received Monday by Joe D. Huffstutler, county judge, from Ben Sheppard, secretary of state. The proclamation from Governor Allan Shivers calling the general

election also was included. Copies of the candidates from the Democrats and Republicans for state offices were included along with blank columns for independent and write-ins in the sample official ballot. The Democrats have a full slate. One vacancy is noted on the Republican list—commissioner of agriculture, leaving John C. White, Democrat, unopposed, who upset the veteran J. E. McDonald in the Democratic run-off primary. Mose Blumrosne, Corsicana, long-time Republican chairman and leader, is listed as an opponent for

Olin E. Teague, Bryan, incumbent congressman from the Sixth Texas district. The Republicans will not have candidates opposing the local slate of Democratic nominees. **NURSING BILL DUE** WACO, Sept. 25.—(UP)—The Texas Practical Nursing Association's executive committee has drafted a bill for licensing practical nurses and hope to present the measure to the next session of the legislature. **Sun Want Ads Bring Results.**

Home Demonstration Club Workers Sponsor UN Flag Event In County

A campaign is under way here to have a United Nations flag flying in every Navarro county community on UN Day October 24. Home demonstration club workers are taking the lead in the UN flag program. Agent Gertrude Dryman announced. Purpose of the program is to help arouse a personal appreciation on the part of all people of the importance of the United Nations to the world, it was explained. Schools and organizations throughout the county have been contacted and urged to participate in a plan for making the flags, Mrs. Dryman reported. A meeting will be held early in

Sam R. Harwell Funeral Monday; Burial In Dallas

Funeral services for Sam R. Harwell, 57, comptroller of the Magnolia Petroleum Company, who died Saturday night, are to be held Monday at 4 p. m. at the Highland Park Methodist church. The rites are to be conducted by Dr. Marshall Craig, Rev. Carl Keithly and Rev. W. H. Dickinson. Entombment will be in Hillcrest Mausoleum. Harwell had been ill for three months. Native of Mildred, Navarro county, he attended Corsicana schools and was an outstanding football player at the University of Texas and a member of Phi Kappa Psi fraternity. Leaving the University to attend the first Officers' Training Camp at Leon Springs, Harwell later became a captain in the famous 69th Division. Returning to the University, he graduated in 1920 and entered the Magnolia's producing accounting department. He was transferred to the comptroller's department

in 1934 and became comptroller in 1946. He was active in the American Petroleum Institute, Mid-Continent Oil and Gas Association, the Comptrollers Institute of America, National Association of Cost Accountants and the Annual Accounting Conference of Texas A. and M. College. He was a member of the Highland Park Methodist church, Masonic Lodge and Lakewood Country Club. Surviving are his wife, the former Frankie Jane Haslam; a daughter, Sara Frances Harwell, Dallas; a son, George Samuel Harwell, Dallas and New York; mother, Mrs. Ida Harwell, Corsicana; a brother, Raymond Harwell, Dallas; a sister, Mrs. Frances Kerr, Corsicana, and other relatives. **Sun Want Ads Bring Results.—** Try a want ad and convert it into cash. Mrs. Ralph Beaton Funeral Is Held Monday Morning

Funeral services for Mrs. Ralph Beaton, 65, the former Hettie Witherspoon of Corsicana, who was fatally injured in a fall at her home in Dallas Saturday, were held from the McCammon Funeral Chapel Monday at 10:30 a. m. The rites were conducted by Dr. Matthew H. Arnold, pastor of the Westminster Presbyterian church. Burial was in Oakwood cemetery. Mrs. Beaton is reported to have fallen down a flight of steps and died within a short time at the family home, 4108 Lemmon, Dallas. Surviving are her husband, Ralph A. Beaton, Dallas; a daughter, Mrs. E. Terby Chambers, Roswell, N. M.; a daughter-in-law Mrs. Margaret Noble Beaton, Ardmore, Okla.; a brother, C. L. Witherspoon, San Antonio; sisters, Mrs. T. W. Lovett, Corsicana, and Mrs. Agnes Stephens, Gainesville; four grandchildren, and other relatives. Pallbearers were Martin M. Layden, Dallas; Smith and C. Fitzwilliam, all of Dallas; Joe Carroll, Gainesville, and Joe Simkins and C. A. Vaughn, both of Corsicana.

Mrs. M. K. Davies Funeral Monday

Mrs. Mary Kate Davies died at her home in Dallas Saturday. Funeral services were held in Dallas Monday afternoon. Surviving are three daughters, Mrs. Blanchard P. Davies, Tulsa; Mrs. John MacConnell, Los Angeles, and Mrs. George W. Brown, Dallas; two sons, Glen M. Davies, Irving and Marvin H. Davies, Dallas; three sisters, Mrs. Lou Emma Quarles, Mrs. J. S. Doolen and Mrs. S. H. Kealy, all of Dallas; three brothers, W. H. White, Corsicana; Marvin M. White and S. E. White, both of Navar, seven grandchildren, one great-grandchild and other relatives. Mrs. Davies was a niece of the late Mrs. S. A. Redden. John Redden of Corsicana, a cousin, was a pallbearer.

Auto Burns After Friday Accident

MEXIA, Sept. 25.—M. Coulter of Corsicana escaped injury late Friday night when his automobile struck a bridge on Highway 14 and burned. The Mexia fire department put out the fire. The accident occurred about half mile from the Limestone-Freestone county line near here.

Prescriptions—The Best Medicine

By W. P. BROWN Of Johnson's Pharmacy Before your doctor writes a prescription he has questioned you and examined you. Then he selects the drug that will do you the most good. He determines how much and of what strength it must be to correct the condition which exists. He then writes the prescription. The pharmacist takes the prescription and from his shelves selects the drug the doctor has ordered. He carefully checks and weighs all the ingredients and compounds them. A reliable pharmacist uses only quality drugs, fresh, pure and potent, thus assuring the desired results. This is the 250th of a series of Editorial Advertisements appearing in this paper each Monday and Tuesday. (Copyright).

The Poet Of The People
(Copyright, 1950, Edgar A. Guest)
MEETING POSTPONED.
We had postponed, as is common
to do,
A meeting we'd planned.
No need that was urgent or hasty
we knew
For the business at hand.
Not one of us thought at the
moment of what
By none can be known.
We talked of the future, but this
we forgot:
Time is never our own.
At parting we laughed at a jest
that he told.
Went away merry-eyed;
But that meeting postponed now
we never shall hold.
For that evening he died.

CORSICANA, TEX., SEPT. 26, 1950
CHARGE THAT BACK-FIRED

Indiscriminate denunciations, directed by senators and congressmen against individual officials or private citizens and unbacked by evidence, do not appear to be as popular as they were a short time ago. Senator Andrew F. Schoepel, Kansas Republican, accused Oscar L. Chapman, secretary of the interior, of having formerly been closely allied with the Soviet cause. Chapman hotly denied the charge, telling the Senate in Schoepel's presence, "The great majority of Americans will recognize the Senator's statement for what it is, another instance of the use of the smear technique which has become the stock-in-trade of little men in high places." He challenged Schoepel, so far in vain, to repeat the charge in some place where senatorial immunity would not protect him.

Often party leaders have approved such charges, either silently or aloud. This is not the case now. The Republican national headquarters issued this statement: "No one of the Republican National Committee knew about the Schoepel speech, or what it contained until the address was made and appeared on the press association wires and in the newspapers." Senator Robert A. Taft, speaking for the Senate Republican policy committee, said that group "disavows all responsibility for Senator Schoepel's charges."

Sooner or later the trick of making wild charges under cover of congressional immunity was bound to backfire on their maker. It looks as if that time had now come. Perhaps it will have a beneficial effect.

NO LONGER RARE

Gallium, a strange metal once described as rare, is no longer so. It has been discovered that gallium can be recovered by electrolysis from bauxite as a by-product of aluminum production. Gallium resembles mercury in appearance, including the fact that it usually seen in a liquid state. It melts at 86 degrees, boils at 3600. It will combine with any metal or glass with which it comes in contact, a handy characteristic except that it becomes necessary to keep the stuff in rubber or ceramic containers, since it will dissolve others. It is a remarkable metal. It would be still more remarkable, think the aluminum makers, if someone would find a use for it.

In the light of the record, it can be said that the chances are someone will, sooner or later, find such a use.

LABOR LAW TURN

There is little point in analyzing the motives of the dismissal of Robert N. Denham as general counsel for the National Labor Relations Board. The interpretation depends largely on whether the interpreter is a Republican or a Democrat. That fact in itself, however, is almost reason enough for changing either the counsel or the Board. In this period of war effort it would be fine to have a Board and a counsel who took opposite political sides with respect to labor laws, if they worked harmoniously together to strike a balance between the two, a sort of bipartisan policy for labor law enforcement and dispute mediation. But Denham and the Board did not work together or seek a balance; they distrusted and fought each other and frequently presented opposing positions in court cases involving the Taft-Hartley Law. This was an

unhappy situation politically for the administration, and created practical disadvantages for labor and industry.

In questions of interpretation of the Taft-Hartley Law, Denham was inclined to construe the law as more restrictive against labor organizations than was the Board. Hence the replacement of Denham while the Board remains intact indicates that administration of the labor law is to take a turn toward lesser restrictions. Labor organizations probably are to have a freer hand to seek higher pay and more favorable contracts. As in the matter of Denham's position, some will think this is bad. As to practical result, the critical question is whether the change will lead to fewer or more disruptions of production in labor disputes. That remains to be seen.

PROFITS OF FARMING

Cheerful figures from the Department of Agriculture show that America's farmers will get two and a half billions more dollars from their products than had been estimated last spring. The added revenue results from conditions due to the Korean war, say reports. A fly in the ointment is the fact that production expenses are increasing.

Farmers, like other individuals engaged in private enterprise, always have this problem of adjusting the price received for their goods and the cost of producing them. This problem does not exist in some countries under a different regime. The American farmer's market is government-manipulated. But he can still use his native ingenuity and his good right arm to reduce the cost of production. Whether he succeeds or fails in this endeavor depends on himself. Let's keep that much enterprise, at least.

DEWEY AND TAFT

Gov. Thomas E. Dewey's nomination for a third term as New York governor cannot be altogether pleasing to Sen. Robert A. Taft of Ohio. Taft is a most advertised of the Republican possibilities for 1952. A Dewey victory in New York this fall might not place him in line for a third presidential nomination, in view of his two previous defeats. It would, however, ensure Dewey control of the important New York delegation to the convention.

That control would not likely redound to Taft's benefit. Dewey and Taft do not see eye to eye, especially in foreign affairs. Sen. Irving M. Ives of New York was nominated largely through Dewey's efforts, and is thought to share his views. He and Taft have repeatedly had passages at arms over pending legislation. Taft undoubtedly wishes for Republican victory this fall, but he could probably endure it if Dewey individually should happen to lose.

YOUNG VOYAGERS

It is safe to say that never before have so many young people left their homes to travel, singly or in groups, to countries across the ocean for study or observation, or just for fun. The liner George, docking at New York last week, had on its passenger list twenty-five groups of students and young people, numbering nearly six hundred.

A program instituted as a memorial to John Winant, former ambassador to Britain, sponsored a group of eighteen young men who spent the summer doing volunteer work with boys' clubs in London's East End. A bicycle tour of England and Scotland occupied thirteen Girl Scouts from Massachusetts. These two groups pre-

sent a fair sample of America's sea-going young.

No longer are young people expected to be pampered, sheltered and protected from the impact of adult experience. Like their pioneer forefathers, they are being asked to show their mettle, and are expected to prove responsible, not only for their own safety and good conduct, but often for that of others less fortunate. This experience should result in a future population of greater maturity than that now engaged in the struggle for self-preservation.

CHANGES NEEDED

County government will be greatly strengthened in the next ten years, says Stanley Martin, president of the National Association of County Officials. Addressing Atlantic City meeting of this body, Martin said that there was a growing demand for handling governmental matters at the local level. The shift, disclosed by this year's census, of city dwellers to suburban communities makes it even more necessary to have efficient county government.

Efficient it certainly is not now. Responsibility is not centralized, but generally scattered through several independent officials, each elected on his own and seldom troubling to co-operate closely with the others. If the National Association of County Officials will campaign for new legislation, recasting the traditional form of county government, more power to them. It is to be hoped that it is not merely organizing to get more funds for county government.

HEALTH MUSEUMS

The person who asks another how he is has only himself to blame if he finds himself listening to a detailed description of that person's physical condition. Health, their own or that of others, is a topic of interest to all people.

Sponsors of the American Museum of Public Health at the New York World's Fair in 1939 were dubious about the likelihood of its popularity. But they were agreeably surprised. One out of every five persons entering the fair grounds visited this building, spending an average of twenty-five minutes looking at the exhibits. As many as 145,000 persons entered it in a single day. Permanent museums of health have been established in Cleveland and in Dallas and have proved correspondingly popular and successful, especially with children. Now New York plans to have one.

Many small communities might find it possible to establish similar museums. Beginning in a small way in a corner of the public library or other building, exhibits on, allergies, tuberculosis, polio, sight-saving and social hygiene could be set up, added to and expanded as

STEEL NERVES, TOO

time went on. Help in such an enterprise might be obtained from philanthropic foundations, medical organizations or pharmaceutical concerns. The idea is worth a thought.

THROWING MONEY AWAY

When your doorbell rings and the caller asks for money for a charitable organization, do not give to him? If so, you are taking a chance unless you know the organization and how it is soliciting. Otherwise the prospect is good that the story may be a fraud and money will go into the pocket of the solicitor. Granting that his credentials are correct (and you should always ask for them), only a small part of your gift may go to the purpose named.

In New York City the Welfare Department reports that in house-to-house solicitation forty per cent of the sums obtained were kept by the man at the door. An other forty per cent went to the promoters, and incidental expenses cost still another five per cent. Only fifteen per cent went to the organization whose name was used.

Why should not generous folk give directly to the charity they want to help, instead of taking chances on unknown callers?

LOSS FOR FRANCO

Franco may not get his \$62,500,000 American loan, after all. Though Congress approved it, President Truman has opposed it all along. He now has announced that he does not regard the congressional vote an order. He plans to set the money aside, and to lend it to Spain when and if it seems desirable. This is regarded as a way of saying "when Franco mends his way," modifies his totalitarian methods and grants the Spanish a measure of popular government.

President Truman has thus partly avoided a trap which Congress had laid for Uncle Sam. Nothing could give the Russians a better basis for propaganda, or could blacken the American reputation more among nation already suspicious of our motives than becoming Franco's supporter. The great pressure applied by interests friendly to Franco does not conceal the incompetence of the Spanish army, or the unreliability of the government as an ally for a democratic state. The President's refusal to bolster up an unsavory regime wreasts from the Russians a weapon which they would gleefully have used. They already have a fairly good one in the fact that the loan was voted by Congress.

It certainly is tough to get up for work when the baby oversleeps.

It's too bad the subject of a fish story isn't able to hear how hard a fight he put up.

More than half of the men checked in an occupa-

Negro Leader Of Corsicana Dies

Funeral services for Rev. Robert T. Pardee, Sr., 83-year-old negro Baptist preacher, will be held from the Sixth Avenue Baptist church Wednesday at 2:30 p. m. Burial will be in Greenwood cemetery.

Born in Chatfield in 1867, he had resided in Corsicana since 1894.

The minister died with a heart attack Friday night at a citizens council meeting in the colored Masonic Hall a few minutes after making an address, it was reported.

Pardee worked at the courthouse shortly after the turn of the century, and was employed at several local business firms at various times.

Survivors include a son, Robert T. Pardee, Jr., Corsicana; two daughters, Buena Vista Hollins, Temple, and Eula May Reynolds, Corsicana.

A reserved section for white friends will be provided at the funeral.

Pohl Resigns Post As Country Club Manager Here

H. P. Pohl has tendered his resignation as manager of the Corsicana Country Club, effective Nov. 1. House Chairman Bill Evers announced Monday morning.

Mr. and Mrs. Pohl will return to their home in Dallas, where Pohl will go into private business. "We regret having to leave, but this is best for us," Pohl stated.

The Pohl family came to Corsicana in February of 1949, accompanied by their son, Herbert, who acted as club pro for some time before accepting another post. The elder Pohl has acted as club pro as well as manager since that time. They previously were at the Waxahachie Country club before coming here.

Firemen Busy On Paint Job

City firemen are giving the ceiling of the truck room a fresh coat of grey paint. When this is finished they expect to trim the doors and windows. Future plans also include washing and painting the walls.

All the fire fighters have had a hand in the redecorating program, and as one said:

"We seldom have a chance to get a place at the domino table any way."

The only casualty reported so far is Chief Howard Bivins. One of the planks on the scaffold fell and hit the chief on the back of the neck, resulting in a broken pair of glasses and a stiff neck.

BOARD REPORTS.

AUSTIN, Sept. 25.—(AP)—The Texas Real Estate Commission issued about 21,500 licenses and collected \$209,369 in fees during its first fiscal year, the board reported today. The board created by the last legislature, began business on Oct. 5, 1949.

Bulldogs Lose Tough One, 13-7 To Weatherford Eleven Friday Night

Navarro Junior College's scrapping Bulldogs lost a 13-7 decision to Weatherford Junior College in Weatherford Friday night in their second non-conference game of the season.

Showing a lot of improvement over their showing last week against Kilgore's Rangers, the Bulldogs put up a hard battle all the way. Only a faltering running game prevented the Bulldogs from scoring again and either tying or winning the ball game.

Both sides concentrated their scoring in the first half.

A strong Weatherford defense kept Navarro's ground game under control, but the passing arm of Quarterback Ted Darland kept Navarro in a threatening position. A 30-yard pass play to Back Willburn Guthrie set up the first touchdown, and the score came on a short pass from Darland to End Kenneth Scarbrough. Jimmy Sorrels converted by placement.

Statistics:
Yards gained rushing—Navarro 41, Weatherford 163.
Yards lost rushing—Navarro 34, Weatherford 58.
First downs—Navarro 7, Weatherford 9.
Passes—Navarro attempted 18 passes, completed 7 for 130 yards.
Roses.
Penalties—Navarro drew four penalties for 50 yards gross.

Oscar R. Smith Funeral Monday

WORTHAM, Sept. 25.—(Sp)—Oscar R. Smith, aged 70 years, died with a heart attack at his home in Richland Sunday morning. He was discovered dead in bed by his wife.

Funeral services were held Monday at 3 p. m. from the Burleson Funeral Chapel here with burial in the Richland cemetery. The rites were conducted by Rev. R. Webb, assisted by Rev. Cloud. The Masons had charge of the graveside rites.

Native of Arkansas, he came to this section at the age of 18 years.

B Squad Downed Frost 21-0; Waco Defeats Panthers

Two Corsicana football teams saw action in opening games Thursday night.

The Corsicana high school "B" team blanked Frost in Frost, 21-0, while the Corsicana junior high Panthers were losing a 6-0 heart-breaker to East Waco on Tiger Field here.

Captain Otis Pederson's Cubs were never in trouble with the Frost Polar Bears. Their biggest trouble was kicking the penalty line as they passed and ran to a decisive victory in their opener with Coach Doy Weller's crew.

The full 26-man Cub squad made the trip, and every man played at one time or another. Sparking the offense were backs Richard Clay, Bruce Howard, Don Nicholson and Franklin Beamon, and End James McCafferty.

Clay drew first blood with a short punning for a score after a long run by little Don Nicholson set up the counter. Bruce Howard passed to Charles Ray for the point.

The pass combination of Howard to Charles Ray and Howard as punter, two touchdowns and Howard also converted both points after by placement. Three Cub touchdowns were called back by penalties.

The Panthers had the unique experience of outplaying East Waco all over Tiger Field, and still losing the ball game.

Three times the Panthers drove to within the Waco 10 yard line, only to lose the ball on downs. With Pearce, Pete Osborne and Robert Marr sparking the Panther backfield, the locals racked up their share of gains but the bogdowns in the shadow of the Waco goal nullified these.

Waco broke the 0-0 deadlock in the third quarter, driving over half field on two passes and an end sweep to score.

Coaches Bill Hay and Jess Cummings had praise for the Panthers, however, in their first game, and indicated that a week's work would further enhance the Panther chances. They face three more Waco junior teams this season.

CONTROLS

CONTINUED FROM FIRST PAGE seized "without any hesitancy whatever."

Sawyer said some civilian sacrifices are expected but there is no reason why all needed fighting equipment can't be turned out with the nation still enjoying the highest standard of living in the world.

He estimated that national output currently is running at a rate of \$282,000,000,000 or "far ahead of what it has ever been before."

Sawyer said his department and the NPA are working on measures to see that small businesses get a share of preparedness work.

Fairfield Eagle Gridsters Won Over State Home Laddies 19-0

By PAUL MOORE
Sun Sports Editor

Fairfield Eagles presented a rugged and effective line, played smart football and capitalized on Laddies' mistakes to register their first gridiron victory in history over the local crew. The score was Fairfield 19, State Home 0.

The Freestone county boys struck in the second period when a 15-yard clipping penalty was assessed the local crew and put the ball on the Laddies 1-yard line.

Three Eagle forwards swarmed over the State Home to block the punt and Leighton Steward, who played a sensational end, downed the ball for a touch-down in the end zone, but failed to convert.

State Home was given an opportunity to even the count in the second period when they were able to overcome the stout resistance of the neighboring city.

Receiving the ball on the Fairfield 12 after a bad pass from center on fourth down had been made, Leon Hull, the most consistent ground-gainer for the losers, ripped 8 to the Eagles 4.

The ensuing Eagles threw back the State Home ball-line to the 10 and a pass was incomplete. Macca Lawrence lost 8 more yards on a fumble as the half ended.

During the intermission, the pep squads of the two high schools and the State Home band entertained the spectators who were on hand in great numbers.

Fairfield struck savagely in the third stanza when the last two touchdowns were registered. Steward took the opening kick-off and behind fine interference and with great running on his own account, he advanced to the State Home 19-yard line. The Laddies dug in, but were unable to match the prowess of the hard-hitting Eagle forwards. Glendale Black, Eagle fullback, plowed to the 2 and Reese made 1.

A Fairfield 5-yard penalty for off-side was received, and then Black went over on the second try against the stubborn Laddies. Steward added the point.

Striding again in the same stanza, the visitors started the drive after Cherry had recovered a fumble on the State Home 21-yard line. Dickson ripped 11 to the 10 and Black went over for the touchdown with Steward missing the attempt to convert.

Yards gained rushing—State Home 130, Fairfield 125. Yards lost rushing—State Home 43, Fairfield 24.

Punts—State Home 7 for average 19 yards; Fairfield 4 for average 26 yards.

First downs—Fairfield 10, State Home 6.

Penalties—State Home 3 for 35 yards loss; Fairfield 4 for 20 yards loss.

Passes—State Home completed 6 for 38 yards, 5 incomplete; Fairfield completed 2 for 24 yards, 1 incomplete, 1 intercepted.

Fairfield 0 6 13-0 19
State Home 0 0 0-0 0

67 millimeter recoilless rifles and long-range anti-tank guns. This gives the present airborne regiment nearly double the firepower of the average World War II airborne regiment.

KOREAN

CONTINUED FROM FIRST PAGE sweeping up from the South sped into Changju. This put them only 40 miles from the Inchon-Seoul beachhead.

Its swift drive—70 miles in four days—threatened soon to close the gap between the two fronts and seal off tens of thousands of Red Koreans in the south.

Allied forces scored sharp gains all along the southeastern front, from Yongdok on the Sea of Japan to Chinju on the southwest.

But Allied commanders were throwing the greatest weight of manpower into the battle to secure symbolic Seoul.

War Three Months Old.
The Reds captured the South Korean capital three days after they invaded across parallel 38 June 25—just three months ago.

The U. S. and South Korean infantrymen of the Seventh division swept eastward across the Seoul-Suwon road and jumped the Han southeast of the city.

Artillery barrages temporarily silenced the Red gunfire on South Mountain, a 700-foot hill looking over the South approaches to Seoul.

Col. Lewis (Chesty) Puller's First regiment Marines, who had crossed the river from near Yongdok, moved south from southwest city heights.

Puller's regiment stormed across the bridgeless Han Sunday morning near Yongdok. It bit deep into Tong Mak Sang district and threw mortar and artillery fire at Red defenders on South Mountain and the big Seoul army barracks nearby.

Jail Is Searched.
Marines searched a jail in the southwest district, seeking 3,000 American prisoners reported in Seoul. But a South Korean underground operator said the Reds

had removed them several days ago.

South Korean Marines drove across ridges on the Western side of the city.

U. S. Fifth regiment Marines who made the first Han river crossing last Wednesday were pushing deeper into the city on the north.

All four penetrating forces were aiming at the granite Duk Soo palace where Americans and Russians twice in the past haggled in vain over proposals to unify Korea.

Fresh Allied troops swarmed into the second front beachhead, adding power to the fight for Seoul and against Reds coming up in disorder from the old southeast beachhead.

Albino Unit Leads.
An American airborne unit of 2,400 men landed at Kimpo airfield northwest of Seoul Sunday after a quick ship trip from the United States to Japan. It was not identified.

A hundred and fifty transport planes ferried the airborne infantry—complete with battle kit—from Japan to Kimpo.

Ships landed a fresh South Korean division at Inchon, 22 miles west of Seoul. All the new arrivals were rushed into action.

Allied forces struck mightily, as the war entered its fourth month, to shatter the Red Korean resistance.

Smashing out of the southeast beachhead in the 10th day of an all-out offensive, United Nations forces rolled through Yongdok, Andong, Yechon, Ulsong, Hamchang, Kumchon, Changju, Wiyachon and Chinju.

The battleline of late July—one month after Red Koreans smashed a across Parallel 38—was restored.

But there appeared to be little organized Red resistance to prevent sweeping new United Nations gains.

Fight for Escape Route.
North Korean 9th Division elements fought desperately to hold open an escape route to the north. The battle centered around Kumchon.

Other crumbling Red divisions were in danger of being swaled in the south when the two Allied beachheads converge.

The 7th Division crossing of the Han was made under the guns of South Mountain, 700-feet high fortified height within Seoul's south limits. From it, Red guns command a wide stretch of the Han.

U. S. artillery hurled barrages of shells at the peak for a half hour before the crossing. Then lumbering amtracs churned across the Han, upstream from three ruined bridges.

Rifle and machinegun fire crackled. But the troops drove forward standing up.

General MacArthur's headquarters said three Red Korean regiments were fighting on Seoul's northwest defense ring. A spokesman said parts of two Red divisions—the ninth and 18th—were on the south bank of the Han Sunday, apparently trying to cross into the city.

Supplies Recaptured.
Another Seventh Division column striking south through Suwon and into Osan recaptured large stores of American supplies. Osan was the town where the

first American infantry went into action July 6.

A spokesman said the American supplies had been lost in the fall of Taejon, probably the heaviest American setback of the war which included the loss of Maj. Gen. William F. Dean.

In the South Korean Third Division drove into Yongdok's outskirts on the east coast. It also captured many prisoners and much equipment.

General Captured.
A MacArthur spokesman said this force captured Maj. Gen. Kim Chang Duk, commanding general of the Red Korean Fifth Division, Sunday. A report at South Korean naval headquarters said,

however, General Kim was killed Wednesday north of Pohang.

For the 90th straight day Far East Air Forces and Royal Australian Air Force planes pounded North Korean targets.

B-29 bombers, F-80 jets, F-51 fighters and B-26 bombers hit 90 different targets.

They set a new record for the Korean war of 728 sorties (individual flights). The previous record of 702 sorties was set five days ago.

Oak Valley Home Demonstration Club will meet Friday at the Dr. Pepper Kitchen with Mrs. H. M. Montgomery as hostess.

Farm Talk—

Navarro 4-H Beef Projects In Shape For Fair's Grand Opening Tuesday

By CLYDE JOHNSON
Daily Sun Staff
The county's 4-H youngsters were busy last week getting their pet beef projects in shape for the fair's grand opening Tuesday.

Assistant County Agent Curtis Henderson said most of the 4-H stock would be at the fairgrounds Monday.

It's estimated that 30 4-H club fed steers will be in the show. Farm youths also will exhibit ten hogs and seven heifers. With increased FFA activity, Navarro county youths are expected to exhibit a larger, finer-looking parade of livestock than ever before.

Navarro county's new agricultural agent, Harold Franke, is slated to take over his post here about October 1. Franke hails from Walker county, where he was a county agent at Huntsville for 18 months and a director of the Chamber of Commerce.

Since W. H. Walker took over his new position at the First National Bank, Curtis Henderson, assistant county agent, has been holding down the fort—with the help of Mrs. Paul Duffee, secretary, and Cecily Parker, assistant county agent-at-large.

QUOTING THE BIG BOYS—Top officials in American agriculture—the boys who run the farm program—are very conservative along the lines of price control and production.

"Let's not forget that a need for all-out production has not yet developed," says Harold K. Hill, assistant administrator for production of the PMA.

ACP Director A. V. McCormack says "I just don't see the smart thing to do to use up our soil resources now to produce a lot of stuff we can't use."

And the big chief, Secretary of Agriculture Charles F. Brannan, declares "The American farmer has produced so abundantly and is capable of continuing to produce so abundantly that price controls of food and fiber are not now needed."

J. Lee Greer, 70 Dies At Temple

TEMPLE, Tex., Sept. 25.—(AP)—J. Lee Greer, 70, veteran Texas newspaperman, died in a hospital here Friday night.

Greer, for thirty-five years owner and publisher of the Denison Herald when he sold the paper to the Harte-Hanks organization in 1940, was also a past president of the Texas Newspaper Publishers Association.

Born and educated in Dallas, Greer began his newspaper career as a carrier for the Dallas Times Herald. Later he was a bookkeeper and then circulation manager for the paper.

Greer thereafter worked for papers in El Paso, Texas, and Tucson and Douglas, Arizona before taking over the Denison Herald.

Survivors include his wife, a daughter, Mrs. Edward E. May of Atlanta, Ga.; a brother, Jim Greer of Dallas and three sisters, also of Dallas; Mrs. Ora Greer, Mrs. B. F. Rivers and Mrs. Marjette Keyne.

Funeral services will be held at Denison this afternoon.

Local Teachers Conduct Panels

Navarro county English instructors will have an important part in the Third Annual English Workshop Conference for District X in Austin, Sept. 28-30, at St. Edward's University, according to M. S. Cook of Corsicana, Navarro Junior College, program chairman.

Miss Annis Belle Kiber of Corsicana High School will form one of the discussion panels while Mrs. G. E. Ramsey of Blooming Grove will lead another panel.

The Texas Committee on the co-ordination of English sponsors the workshop.

The theme of the workshop is "The Co-ordination of Writing and Grammar in the English Program."

19th Polio Case In County Reported

Navarro county's 19th polio case of the 1950 season was reported today by Dr. A. L. Grizzaffi, Frost. He said Bobby Fredericks, Frost, was a patient in the Crippled Children's Hospital, Waco.

Arkansas Demos Admit Negroes To Membership

LITTLE ROCK, Ark., Sept. 25.—(AP)—Arkansas Democrats last week opened party membership to negroes and denied it to anyone who does not support all party nominees.

The admission of negroes, in effect dictated by a federal court, followed bitter denunciation of the proposal by Amlis Guthridge, Little Rock, Dixiecrat leader.

The new party loyalty rule also was a blow to Dixiecrat supporters. For several years rules have not required Arkansas party members to support the national nominees.

The Dixiecrat group thus was able in 1948 to oppose President Truman, but remain Arkansas party members in good standing.

The rules changes, made at the closing session of the two-day Democratic state convention here, created the only note of discord at the meeting.

Guthridge declared that "never since reconstruction days has any such thing been offered at a Democratic convention in Arkansas."

The resolution opening party membership to negroes strikes the word "white" from the section limiting membership to "qualified white Democrats."

The resolution noted that a federal court had in effect ordered such a move. The court, at Little Rock, ordered the Pulaski county Democratic committee to place the name of a negro candidate for alderman on the August primary ballot.

Gov. Sid McMath praised the lifting of the membership restriction in a speech at a post-convention banquet.

One Addition To Memorial Baptist

There was one addition for Baptist Sunday at the Memorial Baptist church. There were 218 in Sunday school and 144 in Training Union.

Monday at 2 p. m. the WMS met at the church to begin the State Mission Week of Prayer and offering for State Missions. At 7:30 the monthly Sunday School meeting and Training Union Council will meet for an old fashioned prayer meeting.

Wednesday at 7:30 the teachers and officers will meet. Prayer service will be conducted at 8, followed by choir practice.

Postal Receipts Gain In August

AUSTIN, Sept. 25.—(AP)—Texas postal receipts last month rose 9 per cent over July, the University of Texas Bureau of Business Research reported today.

Receipts for 72 Texas cities amounted to \$4,005,953.

Brownfield had a 64 per cent gain over July for the largest monthly increase. Austin, Texarkana, and Uvalde reported 32 per cent increases. Other cities with notable increases included Nacogdoches, 29 per cent; Luling, 26; San Angelo and Temple, 17; Odessa, Dallas and Lamesa, 16 and Houston and Cleburne, 12.

Decreases ranged from 1 per cent in Del Rio to 21 per cent at Gladeview.

Snyder had the biggest gain over August a year ago at 12 per cent. Other increases in the August-to-August comparison included Brownfield at 82 per cent; Lufkin, 45; Lamesa, 35; Luling, 33; Cleburne, 32; and Midland, 30.

Fairfield

FAIRFIELD, Sept. 25.—(Sp.)—Mrs. Bobby Richards and Mrs. Spookley Uley spent Friday in Waco.

Mr. De Etta Maunahan is spending the week in the home of her brother, Mr. and Mrs. F. Peyton.

Bryan Williamson, J. C. Ledbetter, J. Neg. Polk, Bill Wood and Charlie D. Robertson left Sunday to enter the fall term at Sam Houston State at Huntsville.

Mrs. M. A. Hammack spent the past two weeks here visiting in the home of her daughter, Mrs. M. D. Humphreys.

Mr. and Mrs. J. W. Coleman and Jimmie visited Mr. and Mrs. Randall Coleman in Fort Worth last week end.

Mrs. Alline Fitch and brother, Conrad Schoppe of Houston visited Mr. and Mrs. W. G. Schoppe and Mrs. E. J. Leben Saturday and Sunday.

Mrs. L. E. Pevey of Austin visited her father, C. C. Terry, Sr., and Mr. and Mrs. E. D. Terry over the week end.

Mr. and Mrs. Jim Baldree and children of Mexia visited Mr. and Mrs. John Baldree Friday.

EXPENSIVE BUS RIDE
OKLAHOMA CITY, Sept. 25.—(AP)—A normal 15-cent bus ride has turned into the most expensive trip of Mrs. E. N. Brandt's life. She reported to police she got off the bus and left a purse containing a diamond wedding ring, an engagement ring, a pearl necklace, a \$500 check, \$200 in travelers checks, \$110 in postal savings bonds, \$110 in cash and a vanity case.

Home Building Reaching Peak in City With More Than 100 Units Completed

By DON MORRISSEY
Daily Sun Staff

Home building has hit a peak in Corsicana this year and so far about 100 living units have been completed. Through Friday of this week, 125 residences and apartments had been completed or were under construction according to the building permits issued by the city engineer's office.

The office has issued a total of 890 permits so far this year and assessed valuations listed in the record books total \$1,890,443. Of this amount, 125 permits were issued for residences and apartments with a listed valuation of \$73,315. Better than 80 per cent of the permits issued were for new residences.

The largest item turned in the record books was \$73,315 for the building of institutions. This includes the \$73,315 listed for the Navarro County Memorial Hospital and \$20,000 for work at the IOOF Home.

Residence owners also have been repairing and remodeling their living quarters. A total of \$81,988 is listed in the permits as having been spent on repairs and additions.

Car owners also are building to house their automobiles with \$7,525 being spent for single and double garages.

Expenditures for new stores, mercantile buildings, shops, offices, etc., has gone over the \$200,000 mark with permits listing \$200,725 being spent for the above.

Repairs and alterations on non-residential and non-housekeeping units total \$21,875.

Churches have come in for their share of spending with \$48,500 listed for new edifices.

Accounts spent for new service stations, commercial garages and similar businesses totals \$34,840.

House building started slowly in January when but one residence with an estimated cost of \$2,000 was listed with the engineer's office.

February showed a marked increase when eight permits were issued with a total estimated value of \$19,250.

March jumped to 12 units with an estimated value of \$36,580. The number of units increased to 18 in April and the estimated costs were listed at \$52,150.

May was the start of the boom months. Eighteen permits were issued and the estimated cost total was \$78,550.

The number of units dropped to 15 in June and the estimated costs decreased to \$73,250.

The total permits for dwelling units increased to 17 in July and the total estimated costs were \$73,350.

August was the top month of all. Twenty-eight permits were issued and estimated costs were \$99,000.

So far in September, 10 dwelling units have been issued and estimated costs are \$73,350.

Building Permits.

Nine building permits with a total valuation listed at \$6,825 were issued by the city engineer's office this week. The total for the year now is \$1,890,443. Permits were issued to the following:

Halle Hoster, 216 1-2 East First avenue, build three-room bungalow, \$2,775; O. O. Pickering, 914 South Eighteenth street, repair residence, \$600; Myrtle Padgett Davis, 706 East First avenue, build one-car garage, \$150; R. E. Felt, 715 East Second avenue, add screen porch, \$100; Dr. J. S. Daniel, 2214 Park Row, repair and remodel residence, \$4,000; J. Floyd Smith, 2214 Park Row, addition to residence, \$800; Willie Wright, Jr., East Sixth avenue and South Fourteenth street, build two-room residence, \$400.

A. J. Taylor, West Second avenue, build one-car garage, \$200; W. M. Hurley, 2221 Park Row, repair and remodel residence, \$4,000; J. Floyd Smith, 2214 Park Row, addition to residence, \$800; Willie Wright, Jr., East Sixth avenue and South Fourteenth street, build two-room residence, \$400.

Recruit Ray H. Teer, son of Mrs. R. C. Teer of Corsicana, recently reported to Fort Hood and has been assigned to a combat unit of the 2nd Armored Division for basic training.

Prior to enlisting in the Army, Recruit Teer attended Corsicana High School where he was a member of the football squad.

ENGAGED—Mr. and Mrs. J. B. Jones, 700 South 16th street, have announced the engagement and approaching marriage of their granddaughter, Barbara Jane Jones, to William K. Miller of Indianapolis, Ind. He is the son of Mrs. June Hockersmith, Indianapolis. The ceremony will take place at 7 o'clock Friday evening, October 6, at the Memorial Baptist Church in Indianapolis. The bride-elect is a graduate of the George Washington High School in Indianapolis and is now employed at the Ford Engine Co. Her fiancé was graduated from Technical High School in Indianapolis.

The defending champion Corsicana, picked this week find themselves at the head of the list among 13-AA grid teams with two wins and no defeats in the only two outings this year.

All other teams have suffered defeats except Temple, which played and won by a 13-7 count, its first game of the season last Friday with Brownwood.

The 1950 football fortunes of this district—usually among the best in the inter-conference play—have taken a turn for the worse during the past two weeks, in contrast with other seasons past.

Out of 11 pre-conference contests, 13-AA teams have won only 4 and tied one. The six losses haven't been by small margins, either.

Waco, picked as the pre-season choice to win the district, has lost one game and tied another, but the competition in both games has been of the toughest. Corsicana, rated early the second place finisher, has won two games by whipsided counts to total up 72 points while being unscored on.

Generally, the competition stays rough this week, as all teams in this district see action.

By comparative scores, Corsicana should have an easier time with Paris that it did with Crozier, Tech last week, but the game is played on Paris' home field, and that tends to lower the odds.

Waco gets no rest, traveling to Marshall, which is considered something of a power in the district.

Corsicana at Paris, Waco at Marshall, Baytown at Temple, Grand Prairie at Waxahatchie, Gramam at Hillsboro, Weatherford at Ennis.

This Week's Schedule.

Corsicana at Paris, Waco at Marshall, Baytown at Temple, Grand Prairie at Waxahatchie, Gramam at Hillsboro, Weatherford at Ennis.

Waco at Bryan, O. (tie); Ennis 27, Greenville 6; Sherman 29, Hillsboro 6; Stephenville 28, Waxahatchie 0; Temple 13, Brownwood 7.

Four No-Bills Are Returned By Busy Grand Jury

Investigations kept grand jurors busy Thursday, but after an all day session only one indictment was returned. And it was against a man already under an 18-month federal prison term. Four no bills were returned.

Man in Jail.

Indicted was Jack Bonner, accused of stealing a 1949 Buick from the Fernald C. Stewart Motor Co., 4001 W. 2nd St. Sheriff David Castle said Bonner was in the Dallas county jail following conviction in U. S. Court of stealing government checks from Corsicana mail boxes.

Two murder cases probed by the grand jury resulted in no bills.

Ira Williams, negro charged with the fatal shooting on July 28 of Booker T. Rice, negro, was no billed. Edward Rhoads, negro, charged with assault with intent to murder, was no-billed in connection with the shooting of Williams, who recovered. The altercation occurred at Williams' cold drink stand at Cheneyboro.

One Case Passed.

Herbert Stephen Hart, Jr., investigated in the fatal shooting last July 23 of Roy Kirk, also was no billed.

Floyd Clark, who was under an assault with intent to rape charge, was no billed.

The grand jury adjourned shortly after 5 p. m. Thursday.

Members of the grand jury for the July term of court which expires Saturday, were Earl McDonald, foreman of Richard; Sidney K. Brelitz, A. H. Bonner, H. R. Stroube, Jr., all of Corsicana; Frank Johnson, Frost; C. R. Green, Frost; R. E. Johnson, Barry; Lewis Martin, negro of Hubbard; Ernest Cummings, Rice; Charles Copeland, Purdon; Earl Henderson, Kearsy; Jack Anderson, Kearsy; O. G. O'Daniel, was riding bailiff, and J. W. Davidson, door bailiff.

Bazette.

BAZETTE, Sept. 22.—(Sp.)—Rev. O. E. Peterson filled the pulpit Sunday and Sunday night. Due to rain the church was closed Sunday. Sunday night there were 57 in Training Union.

Every Wednesday night Rev. Peterson teaches the Bible. There is church practice.

To attend these meetings, The Ladies Home Demonstration club met Tuesday afternoon in the home of Mrs. Nell Pohl with eight members present and four visitors.

A call meeting to plan for the fair.

John Whitten Is President FFA At Mildred High

John Whitten was elected president of the Mildred Future Farmers of America chapter at the organizational meeting held Friday. It was decided to sponsor an exhibit at the Fair this year entitled crop rotation.

President Whitten will show two calves in the contests—one Hereford and one Shorthorn.

The chapter plans to enter the show judging contest of the Texas Jersey club show in connection with the Corsicana fair.

Other officers elected and formally installed Friday included Charles Miller, vice president; Wally Boyd Secretary; Billy McGary, reporter; C. W. Johnson treasurer; Glenn Coker, second vice-president; Terrell Boyd, third vice-president; Billy C. Fitch, sentinel; Kenneth Pritchett, parliamentarian; Jerrell Brewer, historian; Bill Chandler, song leader.

Oak Valley HD Club Holds Meet

The Oak Valley Home Demonstration Club met at the home of Mrs. A. C. Cox on September 14th, with Mrs. J. O. King as co-hostess. Mrs. J. W. Colby, president, in charge of the meeting.

Mrs. Bruce Nutt was song leader for "Love Divine" and "Junitia" and Mrs. L. K. Carraway led the group in the club prayer. Roll call by the secretary-treasurer Mrs. A. S. Fulton, was answered by twenty-three members each of whom recalled something in the club during the past year.

Minutes of the last meeting and the treasurer's report, were read and approved and Mrs. M. E. Todd and A. M. Hurt were welcomed as new members.

Included in the report of Mrs. John Howell, delegate to the Home Demonstration Council, were instructions for labeling entries for the County Fair.

Gave Demonstrations.

Features of the meeting were demonstrations on the preparation and serving of cereals, with Mmes. C. J. Colp and W. A. Early as demonstrators. Mrs. Colp demonstrated the making of plain bread muffins for breakfast. Mrs. Early demonstrated the making of standard baking powder biscuits. After receiving samples of the muffins and biscuits, Colp and Early were voted perfect scores by the club members.

As a recreational highlight, Mrs. Carraway conducted a crossed questions and a crooked answers game which brought forth much hilarity.

During the social hour, the hostesses served iced ginger cake and fruit punch.

The next meeting of the club will be held at the Dr. Pepper Kitchen on September 29th with Mrs. H. M. Montgomery as hostess.

Mrs. O. E. Watson Rites Saturday

Funeral services for Mrs. O. E. Watson, 66, who died Thursday night in the Navarro Clinic, were held from the First Methodist church in Emhouse Saturday at 4 p. m.

The rites were conducted by Rev. John D. Hazlewood, Methodist pastor, and Rev. W. A. Fielding, Baptist minister. Burial will be in the Pattison cemetery.

Surviving are three sons, Arthur Watson, Emhouse; Herman Watson, Dallas; and Woodrow Watson, Mertens; seven daughters, Mrs. John Powell, Magnolia, Ark.; Mrs. Joe Murphy, Dallas; Mrs. David Bishop, Mrs. William Honea and Miss Louise Watson, all of Corsicana; Mrs. Joe Mach, Waco; and Mrs. Joyce McKnight, The Bluff, Ark.; 20 grandchildren, two brothers, Harvey Collins, Blooming Grove, and Frank Collins, Bardwell; a sister, Mrs. G. A. Robertson, San Diego, Calif., and other relatives.

Corley Funeral Home directed.

Lions Planning Ladies Night

Plans already are in the making for the annual Ladies Night program, slated for December 12, Secretary John Henry Bryant announced Friday.

The Downtown Dallas Lions Club Quartet, which has entertained the Lions and their wives two years ago, will present the program again this year, Bryant said.

A new program of songs and jokes is promised, and a sell-out crowd is anticipated. A place for the annual affair has not been selected as yet, Bryant said.

On the surface, all creosoted fence posts may look alike—but many posts on the market have merely been dipped in a cheap solution.

When you buy Dierks PRESSURIZED Posts you are getting posts which have been processed under careful technical supervision . . . posts made from live, Southern Pine timber and pressure-treated in 200-degree solutions of Grade 1 Creosote Oil and Petroleum Oils, under pressure of 180 pounds per square inch.

That's why Dierks PRESSURIZED Posts will give you from 20 to 30 years of trouble-free service . . . they're cheaper in the long run.

Come in—let us prove to you that Dierks PRESSURIZED Posts are better.

POISON WELL PROBERS—Officers investigating the poisoned well case at Rice are shown as final samples were taken—proving that arsenic was dumped into the well. Left to right are Texas Ranger R. L. Badgett, Sheriff David Castles (both holding samples), and Darwood Lollner, State Department of Public Safety chemist who made on-the-spot tests. In the background is J. L. Leach, whose three-year-old daughter died after drinking the well water. (Taylor Studio Photo).

Officers Say Tests Prove Arsenic Placed In Gin Well At Rice But Motive, Poisoners Not Yet Known

The poisoned water well mystery at Rice, shrouded in secrecy for weeks, is far from solved; but officers now are certain of one thing:

Arsenic was dumped into the well by some person or persons unknown. That's the report just received by Sheriff David Castles. Located below the Fortson Brothers' Gin at Rice, the 23-foot deep well has poisoned 11 persons—one Leach daughter of Mr. and Mrs. J. L. Leach of Rice died; and six other members of that family were hospitalized because of the poison.

Well from where they got their water. Four other persons later became victims of the poison. That was early last month.

Discovered In Time

Tests made by a Department of Public Safety chemist revealed that arsenic was put into the well, Sheriff Castles announced.

"There's no telling how many persons would have been poisoned a month or so later, said the sheriff, farmers bringing their cotton to the gin always drink the well water, and during dry summer days—when some of the wells at Rice go dry—the entire community uses the water. It's one of the best wells in the county."

The ginning season hadn't started when the Leach family became mysteriously ill. Source of the illness was uncovered by the State Department of Health, which took samples from the well.

Officers had said during their investigation that they hoped to avoid undue alarm or panic at Rice because of the case. Some citizens were becoming alarmed, in fear of having their own wells poisoned, it was reported. Texas Ranger R. L. Badgett and Castles had withheld information on their investigation until it was virtually completed. They had suspected that someone had poisoned the well, but they remained quiet until the laboratory tests backed them up.

Thirty-three different tests were made at the gin well. Forty-nine tests were made on other wells in the community, but no poison was found in these.

Seepage Eliminated

A definite report that the well was poisoned came after an on-the-spot analysis of the water and well by Darwood Lollner, state chemist and toxicologist. Scrapings from the well's brick walls disclosed the presence of arsenic near the well's opening. As tests were made deeper into the well, the arsenic gradually disappeared. And none was present at the bottom, thus eliminating the seepage theory which had been advanced.

How the well was poisoned then became the big problem for the investigators to solve. The well appeared to be tightly sealed. It was covered with planks, over which sealed a large piece of tin that sealed the well by curving downward along the sides. A top the large sheet of tin was another

small piece that fit snugly around the two pipes running into the well. One pipe connected to a hand pump, the other to an electric pump.

Ranger Badgett and Castles found their answer by lifting the pipe attached to the electric pump. It was easily lifted. As this was done, the snugly-fit piece of tin lifted also. This revealed a large hole in the other tin piece and the planks, through which the pipe passed. It is the officers' opinion that this "lifting" method was used to dump the poison through the hole.

No Motive Found

No motive has been uncovered, and there are no suspects.

The well has been used for 40 years and always provided good water, reported J. B. Fortson, owner and operator of the gin. There was no poison stored near the gin or well at the time.

Now that the accident-seepage theory has been ruled out, officers face this problem:

"Who did it? And why?"

"We're still investigating," reported Sheriff Castles.

Classes At Kerens In Social Sessions

KERENS, Sept. 22—(Sp1)—A combined business and social meeting for members of the "Builders' Class of the First Methodist church was held Sept. 22 at 3 p. m. at the church. Following a routine business session, Mrs. W. B. Talley presented the lesson on "Prayers of the Bible."

The nominating committee presented a list of officers which was unanimously elected. They included: Teacher, Mrs. W. C. Wasson; asst. teacher, Mrs. C. W. Glass; president, Mrs. W. B. Talley; 1st vice president, Mrs. Kate Hilliard; 2nd vice president, Mrs. C. C. Speed; treasurer, Mrs. R. D. Mabry; recording secretary, Mrs. Elmer Phillips; class secretary, Mrs. Verdell Black; publicity, Mrs. C. W. Glass; social service, Mmes. H. P. McCown, Kate Hilliard and J. C. Harwell; courtesy, Miss Lola McClung, Mmes. M. R. Albritton, W. A. Duffie and Roy Mayo; program, Mmes. R. L. May, Sam Crowley, Earl McClung, and G. M. Chapman; membership, Mmes. Fannie Buchamp, Jap Immon, J. O. Sessions, E. D. Lynch, Lynch Banks, and McElwreath.

For the social hour the group went to the Highway Cafe for refreshments with Mrs. R. D. Mabry serving as hostess.

The Dorcas Class of the First Baptist church met Monday night in the home of Mrs. Leslie Parker with Mrs. W. P. Ingram and Miss Ethel Ragland sharing hostess duties.

Mrs. Earl Thompson brought the devotional topic, using as her subject "The Samaritan Woman."

Mrs. Whit Scarbrough directed the games for the social hour after which homemade ice cream and cake was served.

The Esther Class of the First Baptist church will meet Monday night in the home of Mrs. Howell Eriester with Mrs. Clifford Breeding and Mrs. Vernon Tramel as co-hostesses. Mrs. Breeding will be program leader for the evening.

The social will be a farewell courtesy to the members who soon be promoted to the Dorcas class and the entire membership is urged to attend.

Teachers Will Meet October 17

The first meeting of the Navarro County unit of the Texas State Teachers Association has been set for October 17 at Corsicana Junior High School.

Dr. J. W. Edgar, commissioner of education, will discuss "The Teacher's Place in the Foundation Program." Guests for this meeting will include the Corsicana TSTA membership and groups from Hill, Ellis, Limestone, Freestone and Henderson counties.

Program plans for the current school year were completed at a meeting of the unit's executive committee in County Supt. J. C. Watson's office.

Truman Newsome is president of the association.

Blooming Grove 59, Itasca 0. ITASCA, Sept. 23.—A power pass-laden Blooming Grove High School football club overwhelmed the Itasca Wampus Cats 59-0 here Friday night.

Left and Richards led the Lions' attack.

Dawson 34, Gatesville 6. DAWSON, Sept. 23.—The Dawson Bulldogs Friday night turned in a 34-6 win over the Gatesville State School for Boys.

Tigers Strike Three Times In Second Quarter

By TALMADGE CANANT
Sun Sports Staff

Corsicana's Tigers broke loose after a scoreless first quarter Friday night to overpower Crozier Tech of Dallas, 31-0 and tally their second non-conference victory of the season.

Though the first period was scoreless, Corsicana had the edge even there, and Coach Boyd Payne's crew came back in the second period to count three times and coast on in the third.

Balanced Attack

A balanced attack paid off for Corsicana, and a rock-bound defense kept the Wolves far from the scoring end, except on one occasion, when the visitors came within inches of a tally late in the game.

Cravens and Stegall carried the bulk of the running attack for Corsicana, and Nutt's passes were effective, keeping the visitors' defense opened up for the Corsicana running game.

Corsicana rolled up a gross yardage of 413 yards—219 running and 194 passing. Crozier crossed 58 yards on the ground, but managed to salvage some consolation out of passing attack that brought in 160 yards.

The Tiger line outplayed its Dallas counterpart consistently during the night. Wood and Malcolm let little through the guard holes. Lebell and Dearen performed more than creditably at the tackles. Tuberville, Corley and Stegall vied with each other at the ends and all managed to snag passes for strategic gains. McNeill played almost the full game at center, and was indispensable.

Crozier was the first single-wing team the Tigers have met this year, and for the first few minutes it was confusing. But Corsicana instituted a drive, and the Wolves were left with the ball, and though a score didn't come with it, the handwriting was on the wall for the 4,638 fans to see.

Charles Sheppard, 195-pound Crozier tailback, was the big gun for the losers. Without him the Wolves would have lost by a larger count. He was 99 per cent of the Tech running game and all of the passing.

First Score

Corsicana's first drive began just before the end of the first quarter, and covered 66 yards from the Corsicana 34, where Stegall took Sheppard's punt and returned to the Tiger 41. Three runs and a pass from Nutt to Stegall moved the ball to the Tech 18, where Tech drew a penalty to 2 yard line for roughness as the quarter ended. Cravens rammed center for the score on his second try, missed the conversion placement. The big fullback had trouble all night with his placements, hitting only 1 out of 4 attempts.

Corsicana began to break down the Tech defense still more. Tech used a fourth-down pass to move the ball to the Corsicana 32, where the Wolves couldn't gain, and Sheppard punted over the Tiger goal.

Corsicana's first play with the ball saw Nutt rifle a pass to End Don Tuberville on the Tiger 38, and he outran the entire Dallas crew to lay dirt as his mates cut down some of the pursuers. Cravens wide kick made the tally 12-0.

Four minutes later it was Corsicana's ball again on the Tiger 38. Nutt hit Cravens with a pass, and it appeared that the big fullback was headed for the promised land. The last key block was thrown by his interference on the Dallas 20, but Cravens had a foot in the mix up, and fell down on the Tech 18. Nutt's pass to Stegall moved the ball to the 4, and Stegall skirted and untouch for the score. Cravens' kick again was wide. The half ended one play later.

Halftime Show

Halftime band activities for both schools were impressive. Tech's ROTC band saluted Corsicana, and its drum majorettes went through precision drills with their maroon-and-white draped batons.

Corsicana's band spelled out TECH for the visitors and played "Hi Neighbor." Following that, the yellow clad members formed a huge grand piano on the field to the strains of "Old Piano Roll Blues." They got a big hand

from the crowd as they marched off.

Corsicana received the kickoff, and started another drive. Runs by Cravens, Nutt and Stegall and two passes from Nutt to Corley and Stegall moved the ball to the Dallas 5 yard line. There a fumble lost the ball to the Tigers, and Tech powered out to its own 20, where Sheppard tried to pass and had it intercepted by Nutt on the Tech 31.

Nutt then hit Tuberville with a 18 yard pass to the 15. Cravens knifed the middle for 9 yards, and Stegall skirted left end, again untouch, for the score. Cravens converted successfully this time, and the count read 25-0.

Final Score

In the last period, Corsicana completed its scoring for the night. It began on the Tech 45, where Sheppard punted badly out of bounds.

Nutt hit Stegall for a first down on the Tech 36. Cravens and Buddy Caton moved the ball to the 29 in two plays, and Caton hit Rayburn Matthews for a pass to the 18.

Nutt, coming back in the lineup, hit End Charles Stegall for 10 yards to the 8, and then Nutt kept the ball instead of handing off, and hit left tackle for the score. That ended the scoring for the night.

Tech Threat

Tech's best threat was yet to come, however.

Corsicana driving deep into Tech territory, lost the ball on the Dallas 19 via a fumble. In two plays Sheppard could gain but 2 yards, but then he hit Eulice Turner with a pass and the ball went back out on the field. He was finally hauled down on the Tiger 8.

In two plays Sheppard got 1 yard, and on the third, powered to the Tiger 2 yard line. On the third play he fumbled the passback, recovered it, but the ball went over on downs on the Corsicana 2.

Corsicana started another drive with only seconds left to play, but it petered out in midfield, and Nutt punted dead on the Tech 14 as the game ended.

It was an improved Corsicana team from the one that licked North Side last week, 41-0, and the passing game worked to perfection in conjunction with the running game. The most glaring defect noticed was that most of the time Tech had plenty of time to get its passes off. Protection for Sheppard as he threw the long ones was generally good, but some of the times the Tiger line did not rush him as aggressively as it should.

The line record speaks for itself, however. In allowing the visitors only 58 gross yards of the drive, the night on running plays, the forward wall turned in as good a performance as anyone could ask for.

Kenneth Bailey, out of the Tiger backfield for some time with a leg injury, got back into the lineup Friday night briefly, and showed up well.

Statistics

Net Yards Rushing—Corsicana 217, Crozier 35.

Passes—Corsicana completed 15 out of 27 for 194 yards; Crozier completed 6 out of 17 for 160 yards.

First Downs—Corsicana 17, Crozier 4.

Fumbles—Corsicana punted once for 34 yards; Crozier punted 6 times for 34.1 average.

Penalties—Corsicana 2 for 10 yards; Crozier 3 for 35 yards.

Score by Periods

CORSICANA	0	0	7	6-31
CROZIER TECH	0	0	0	0-0

Scoring

Touchdowns—Cravens, Nutt, Tuberville, Stegall (2); Cravens converted one point after touchdown.

Starting Lineups

Corsicana—Rayborn Matthews, Duane Nutt, Kenneth Stegall and Jimmy Cravens in the backfield; Harvey McNeill at center; Bobby Malcolm and Jimmy Woods at guards; Lavell Isbell and John Dearen at tackles; David Corley and Charles Stegall at ends.

Crozier Tech—Edward Cheek, Bobby Childers, Eulice Turner and Charles Sheppard in the backfield; Duane Nutt at center; Glen Branch and Robert Ferris at the guards; Bill Seay and Ralph Ryan at tackles; Wendell Martin and Robert Millican at ends.

Mr. and Mrs. Virgil Shultz of Austin spent Sunday with Mrs. Shultz' mother, Mrs. Isabelle Melton, en route to Dallas to attend the funeral of the late Sam Harwell, former resident of this city.

Gem Bob Calley Becomes Bride Of Capt. Hastings

Miss Gem Bob Calley, daughter of Mr. and Mrs. T. C. Calley of House, N. M., formerly of Lubbock, became the bride of Capt. H. Hastings, son of Mrs. W. H. Hastings, at the Second Presbyterian church in Alexandria, Va., on September 12th, with close friends of the couple in attendance.

The bride is a journalism graduate of Texas Technological College, and has been employed as a writer in the State Department in Washington, D. C. She was a former member of the New York City staff of Esquire Magazine.

Capt. Hastings, who returned from duty in Japan more than a year ago, is now attending graduate school at the University of Illinois, where he will receive his Master's Degree in communications engineering. His attendance at the University is an assignment from the U. S. regular army.

Capt. and Mrs. Hastings will make their home in Urbana, Ill.

Woman Injured In Car Mishap

Mrs. Mozelle McIntosh of Houston suffered a sprained ankle near Richardson about 8:45 p. m. Friday when her automobile plunged into a ditch off Highway 75, the highway patrol reported.

She was treated at the P. and S. Hospital, patronized by Mrs. McIntosh attempted to pass another vehicle which suddenly made a left turn. The car was turned into the ditch to avoid a collision. Mrs. McIntosh's husband brought her to the hospital.

State Home Grid Stands Are Down

Seating accommodations at Garlity Field, State Home, are nil. The timber stands on the west side of the field for many years were torn away last spring and steel stands were ordered installed.

The permanent stands have not arrived for installation and it is necessary for the fans and pep squads to stand or sit in chairs.

Mrs. Anderson Is Buried At Midway

WINKLER, Sept. 23—(Sp1)—Mrs. Mary Ann (Aunt Molly) Anderson, 81, pioneer resident of Winkler, died at the home of her daughter, Mrs. W. L. Simpson at Seaman City, Monday afternoon.

Funeral services were held Tuesday afternoon from the Midway Baptist church with burial in the Midway cemetery. The rites were conducted by Rev. Herbert McKisack and R. L. Ryburn, both of Fairfield.

Mrs. Anderson was a charter member of the Midway Baptist church, organized 65 years ago. Surviving are two sons, Garland and Muri Anderson, both of Winkler; one daughter, and a brother, Edd Steele, Fairfield.

Mrs. Anderson was born, Dec. 12, 1868 at Arcadia, La., but came to the Midway community at the age of 10 years with her late parents, Mr. and Mrs. Romulus A. Steele.

Funeralbearers were C. A. Haywood, W. L. (Bill) Beauchamp, H. L. Rash, Emmett Ferguson, Ernest Ferguson, and John Massey.

The Band Parents Association will meet in regular session Monday evening, October 2, at the band cottage. L. E. Riley will preside.

Lions Club Annual Report

Here Is Our Annual Report To You Our Public—

of the Disbursements We Have Made of Our Charity Fund for the year of 1949-50:

We are extremely proud of this report and we appreciate the fine way you have supported and donated to the Lions Club Charity Fund.

- \$75.00 — Square Dance Band on the runway Jr. College.
- \$50.00 — Prizes for Square Dance on runway at Jr. College.
- \$335.35 — 24 pair of glasses for needy children in Corsicana and Navarro county.
- \$87.24 — Tax to U. S. Government on square dance.
- \$10.00 — Variety Foundation of Texas (Matt Dawson, Tarpin)
- \$13.33 — Chartered Bus for boys to camp.
- \$11.00 — Corsicana Dads Club.
- \$50.00 — Sign at Tiger Field.
- \$15.00 — Tickets IOOF HOME Children and State Home.
- \$410.72 — Misc. Expense for Carnival and Square Dance.
- \$35.44 — American Optical Co. Dallas, Special pair of glasses for Navarro County youth.
- \$35.00 — Hearing aid for child.
- \$175.00 — Community Chest.
- \$75.00 — Santa Claus Club.
- \$154.95 — Jr. College take for helping in Carnival.
- \$150.00 — Christmas Tree.
- \$15.00 — March of Dimes.
- \$7.33 — Globes for eye machine.
- \$50.00 — Sending Boy Scout to Jamboree.
- \$33.50 — Internal Revenue Tax on 500 packages of cigarettes to Veterans at McCloskey Hospital (Cigarettes donated by Cigarette Company).
- \$45.00 — Artificial Limb to Corsicana youth.
- \$1089.06 — Misc. expense for minstrel show supplies, etc.
- \$3.00 — Purchase knitting set for a Navarro county Blind girl
- \$20.00 — Rev. Goff for a needy Corsicana Lady.
- \$116.00 — Revenue Collector Tax on Minstrel Show tickets.
- \$60.00 — Civic Music tickets for IOOF children and State Home Children.
- \$50.00 — Needy veteran and wife so he could enter Jr. College.
- \$10.00 — Purchasing Piano Kinsloe House.
- \$35.00 — Sending Boy to American Legion Boys town.
- \$15.00 — Welfare Assn. to buy food for baby in local hospital.
- \$100.00 — Navarro Jr. College to help entertain prospective students 1950-51 semester.
- \$138.37 — Expense of putting on Easter Cantata.

The Club dispersed nearly ten thousand dollars for all purposes—for the past year. Every cent raised for Charity has been spent for charity.

\$3,517.28—was total of all funds collected and paid in to our charity fund. This is a nice sum of money that you the public donated to our Charity fund and on behalf of our entire club and those whom your donations helped, we say, Thank you Corsicana.

Corsicana Lions Club.
